WHO IS CLAY MACK

COMBINE
TRAINING

SPECIALIST

Clay Mack is the President of Xplod Training DBA Clay Mack Skills. Clay has worked with numerous high school, college and professional athletes in skills and technique development including agility and footwork training. A product of the Dallas Independent School district, Clay was a two sport letterman in high school receiving 1st Team All-District 2 years as well as Blue Chip All American honors in football at the 5A level in Texas during his junior and senior seasons. As a multi-purposed football player at (QB / WR / DB) in Dallas, TX at J.F. Kimball HS, Clay was also a multi-letterman in Basketball.

Clay Mack currently trains and mentors some of the most highly touted defensive backs in the country and has been a constant on the national landscape as it relates to consulting athletes with the goal of enhancing agility, skills, foot work and the psychological aspects of football. Due to his national prowess, Clay has built relationships throughout the country with both collegiate and professional athletes along with other collegiate dignitaries. Clay is currently recognized as a renowned Defensive Back trainer who has worked with and mentored over 350 professional, collegiate and high school athletes throughout the country as he continues to advocate for and consult various athletes.
